

# GE Profile™ 48" Smart Built-In Side-by-Side Refrigerator with Dispenser Model# PSB48YSNSS

- 48" Built-In Configuration - Enjoy the streamlined appearance of a built-in refrigerator, designed to fit inside cabinetry
- Integrated Dispenser with LED Lighting - Have access to ice and water, and to refrigerator controls like temperature settings, with a dispenser that's integrated into your refrigerator door
- LED Lighting - Find any item in your refrigerator with ease, thanks to bright, efficient lighting that illuminates the fresh-food and freezer compartments
- Climate Controlled Drawer - Alter your drawer's internal temperature to suit the food inside, using one of three temperature settings: Meat, Produce or Citrus
- Built-in WiFi - Monitor and control your refrigerator from your smartphone, and receive helpful alerts if the door is left open or service is needed
- Fresh Food Multi-Level Drawers - Provide the ideal environment for storing your fruits and vegetables
- Adjustable spillproof glass shelves - Raised edges help contain spills to make clean up quick and easy
- Large door bins - Offers ideal space for storing large containers in the door, freeing up valuable shelf space
- Adjustable Freezer Shelves - Make room for a variety of frozen foods, using four wire shelves that are designed for easy adjustability
