## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

## Puppy Bio

**Introduction:** Oh boy oh boy, is this the best day ever?! Are you my new best friend? I'm so happy to meet you. Did you hear that rattle in the box? That was me - practicing my zoomies (they're my favorite thing)!

**Name:** YOU should give me a name! If you want to, you can write it here:  

**Hobbies:** Got any LEGO® peanut butter? Yes, please. LEGO tennis balls? Obviously. Sticks? Big yes. Do you have a cat? A LEGO cat, maybe? I'd like to play with it. I have a heart of gold (and bricks), so I promise I'll be good.

**Special talents:** Making my humans smile (of course). I already know how to sit, shake, wag my tail (a lot), and give high fives. I can also be really quiet. Give me a few busy hours on puppy duty, and then I definitely need a nap. But for now, can we play already? Yay!

## Bio du chiot

**Introduction :** Oh, oh, oh, c'est le plus beau jour de tous les temps! Es-tu mon nouveau meilleur ami? Je suis si content de te rencontrer. As-tu entendu ce bruit dans la boîte? C'était moi, qui faisais le fou (mon truc préféré)!

**Nom :** TU devrais me donner un nom! Si tu le souhaites, tu peux l'écrire ici :  

**Passe-temps :** Tu as du beurre de cacahuète LEGO®? Oui, s'il vous plaît. Des balles de tennis LEGO? Évidemment. Des bâtons? Oui, oui. Un chat? Un chat LEGO, peut-être? J'aimerais jouer avec lui. J'ai un cœur d'or (et de briques), alors je promets que je serai gentil.

**Talents spéciaux :** Faire sourire mes humains (bien sûr). Je sais déjà comment m'asseoir, me secouer, faire remuer ma queue (beaucoup) et donner la patte. Je peux aussi être très tranquille. Joue avec moi pendant quelques heures, et j'aurai certainement besoin d'une sieste. Mais pouvons-nous jouer maintenant? Youpi!

## Biografía del cachorro

**Introducción:** ¡Guau, creo que este es el mejor día de mi vida! ¿Tú vas a ser mi nuevo mejor amigo? ¡Qué contento estoy de conocerte! ¿Escuchaste ese ruidito en la caja? Era yo, practicando mis carreritas frenéticas (¡son lo que más me gusta hacer!).

**Nombre:** ¡Ponme TÚ el nombre! Si quieres, lo puedes escribir aquí:

**Pasatiempos:** ¿Tienes crema de cacahuete LEGO®? Uy, por supuesto. ¿Pelotas de tenis LEGO? Obvio. ¿Palitos? Claro que sí. ¿Tienes gato? ¿Un gato LEGO, tal vez? Me encantaría jugar con él. Tengo un corazón de oro (y bricks), así que prometo que me voy a portar superbién.

**Talentos especiales:** Hacer sonreír a mis humanos (¡naturalmente!). Ya sé sentarme, dar la patita, mover la cola (muchísimo) y chocar los cinco. También puedo ser muy tranquilito. Dame unas horas ocupado en cosas de cachorros y luego de seguro me tomaré una buena siesta. Pero, mientras, ¿jugaaamos? ¡Yuju!

## From the LEGO® Icons Design Team

The Golden Retriever is one of the most family-friendly and recognizable dog breeds. We've trained this puppy with lots of love, and now that it's ready to move into its forever home, we hope you'll love it as much as we do!

When designing any creature, we always start with the eyes and face to reflect and define the animal's personality and make it look realistic. It turns out that minifigure helmets double surprisingly well for these puppy dog eyes when decorated with a crescent moon shape! We then designed several points of articulation, using a new building technique that involves joining two sections before building the exterior. The head can move side to side and tilt left and right, and the mouth can open and close. The ears move, the tail can be posed on either side, and the left paw can be placed on the ground or reached out.

So now we hand the leash to you and wish you and your new best friend a happy building adventure together!

## Un mot de l'équipe de conception LEGO® Icons

Le Golden Retriever est l'une des races de chiens les plus sympathiques et les plus reconnaissables. Nous avons entraîné ce chiot avec beaucoup d'amour, et maintenant qu'il est prêt à emménager dans sa maison, nous espérons que vous l'aimerez autant que nous!

Lorsque nous concevons une créature, nous commençons toujours par les yeux et le visage pour refléter et définir la personnalité de l'animal et le rendre réaliste. Il s'avère que les casques de figurine imitent étonnamment bien les yeux d'un chiot lorsqu'ils sont décorés d'une forme de croissant de lune! Nous avons ensuite conçu plusieurs points d'articulation, en utilisant une nouvelle technique de construction qui consiste à assembler deux sections avant de construire l'extérieur. La tête peut bouger d'un côté à l'autre, s'incliner vers la gauche et vers la droite, et la bouche peut s'ouvrir et se fermer. Les oreilles bougent, la queue peut être positionnée de chaque côté et la patte gauche peut être placée sur le sol ou tendue.

Alors maintenant, nous te remettons la laisse et vous souhaitons, à toi et à ton nouveau meilleur ami, une aventure de construction heureuse ensemble!

# Impresiones del equipo de diseño de LEGO® Icons

El *golden retriever* es uno de los perros más nobles, familiares y fáciles de reconocer. A este cachorrito lo entrenamos con muchísimo cariño, y ahora que está listo para mudarse a su hogar definitivo, ¡esperamos que lo quieras tanto como nosotros!

Cuando diseñamos cualquier animal, siempre empezamos por los ojos y la cara, porque ahí es donde se refleja su

personalidad y logramos que se vea realista. Curiosamente, los cascotes para minifiguras, decorados con la forma de una luna creciente, funcionan perfecto para recrear estos ojitos de cachorro. Luego diseñamos varios puntos de articulación usando una nueva técnica que consiste en unir dos secciones antes de construir el exterior. La cabeza puede girar de lado a lado e inclinarse a la izquierda y a la derecha, la boca se abre y se cierra, las orejas se mueven, la cola se puede colocar hacia cualquier lado y la pata izquierda se puede apoyar en el suelo o estirar hacia adelante.

Ahora te entregamos la correa... ¡y deseamos que tú y tu nuevo mejor amigo disfruten juntos de una feliz aventura de construcción!

"I'm so happy to meet you – you're my new best friend!"

« Je suis tellement heureux de te rencontrer – tu es mon nouveau meilleur ami! »

"¡Qué contento estoy de conocerte! ¡Eres mi nuevo mejor amigo!"

With the way their legs often flail about, you'd think puppies' joints were made of rubber bands! We've used small ball joints here to attach the limbs while ensuring a strong connection and a unique angle.

Avec la façon dont leurs jambes remuent, on pourrait penser que les articulations des chiots sont faites de caoutchouc! Nous avons utilisé de petites articulations sphériques ici pour attacher les membres tout en assurant une connexion solide et un angle unique.

Con lo inquietos que son y cómo mueven las patitas por todos lados, ¡uno pensaría que las articulaciones de los cachorros están hechas de ligas! Aquí usamos pequeñas uniones esféricas para acoplar las extremidades, y así logramos una conexión firme y un ángulo totalmente único.

This puppy can't wait to learn new tricks. The front legs are built differently – the left front leg can point upwards in a 'shake paw' or 'high five' pose.

Ce chiot a hâte d'apprendre de nouveaux tours. Les pattes avant sont construites différemment – la patte avant gauche peut pointer vers le haut dans une position de « poignée de patte » ou de « tape dans la main ».

Este cachorro está impaciente por aprender nuevos trucos. Las patas delanteras están construidas de forma distinta: la izquierda se puede levantar para adoptar la posición de dar la patita o chocar los cinco.
