## PRODUCT DESCRIPTION

Work smarter (and look cool doing it) with the new-age efficiency of this adjustable height home office desk. Its streamlined design is ideal for gaming or as a general workstation. This super-sleek yet fully-loaded home office desk has a mouse pad surface cover and three height options for ultimate efficiency. The fantastic features also include a headset hanger conveniently mounted on the side, as well as a raceway tucked underneath for managing all your cords.

- Made with engineered wood and durable decorative laminate
- Mouse pad surface cover
- Metal frame with red powder coated finish

**Weight** : 57 lbs. | **Cube** : 5.41 ft
