

KOHLER CLEANSING SEATS WILL LEAVE YOU FEELING A CLEANER KIND OF CLEAN

The new C3-430 cleansing seat uses soothing heated water to leave you feeling cleaner than clean. Customizable presets let you personalize your experience for complete comfort.

- Heated seat adds comfort.
- LED lighting illuminates the bowl to serve as a nightlight.
- Stainless steel wand with automatic UV-light self-sanitization.
- Front and rear wash modes provide warm water for cleansing.
- Adjustable water temperature and water pressure.

COMFORT

Warm water gently cleans and the temperature of the heated seat can be adjusted for a more personalized comfort. The seat is ergonomically designed for comfort and fits most elongated toilet bowls.

CLEAN

The C3-430 provides a hygienic, warm-water cleansing and allows you to easily adjust the spray and water temperature to your liking. The UV sanitization automatically cleans the stainless steel wand daily.

CONTROL

Customize your experience with user presets that can adjust water temperature and pressure, the heated seat temperature and more. Control everything with a convenient remote.
