Zero gravity power recliner with power headrest and power lumbar. Designed to suspend your body in a neutral posture where your feet are elevated in alignment with your heart. You will experience a weightless sensation, allowing you to deeply relax and release tension. By supporting your body in a weightless and neutral posture, zero gravity helps you to decompress the spine and reduce painful pressure points. In zero gravity position your body is fully supported allowing you to deeply relax and let go of muscle tension.
