SAFETY WARNINGS

⚠ **WARNING:** Always use caution and common sense when operating your gas grill. Failure to adhere to the safety warnings and instructions provided in this manual, as well as those contained in the owner's manual for your grill, could result in severe bodily injury or property damage. Save this manual for future reference.

IMPORTANT SAFETY INFORMATION

Always refer to the Owner's Manual for your grill, provided by the original grill manufacturer. Read and follow all warnings and instructions in the Owner's Manual before installing this product. If you need a replacement Owner's Manual for a TYTUS Grill, contact TYTUS Grills at support@tytusgrills.com.

ELECTRICAL GROUNDING INSTRUCTIONS

This appliance is equipped with a three-prong grounding plug for your safety and protection against possible electrical shock. It must be correctly plugged directly into a properly grounded three-prong outlet receptacle.

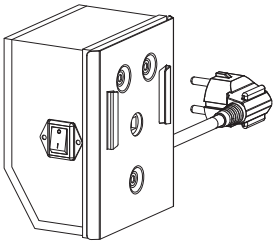

- **DO NOT** cut, remove, or alter the grounding prong from the plug.
- Before each use, ensure the grill and rotisserie are safe to operate by following the safety warnings and instructions contained in this manual and the Owner's Manual for your grill.
- Before each use, ensure the grill and rotisserie are safe to operate by following the safety warnings and instructions contained in this manual and the Owner's Manual for your grill.
- For outdoor use only.
- Keep children and pets a safe distance away from the grill. **DO NOT** allow children to use or play near the grill or rotisserie.
- **DO NOT** leave the grill unattended while in use.
- **DO NOT** use the side or sear burner when using a rotisserie. The burner lid could be hot from use.
- To avoid bodily injury, **DO NOT** touch the spit rod while in use or soon after because the rod will be extremely hot.
- Keep all electrical cords away from water or hot surfaces.
- **DO NOT** operate this appliance with a damaged cord or plug.
- Turn the rotisserie motor switch to the "**OFF**" position before removing the plug from the outlet.
- Unplug the rotisserie motor when not in use and before cleaning.
- **DO NOT** exceed 12 lbs. of food on the rotisserie.
- Keep a fire extinguisher that is designated for use with gas products close by. Refer to your local fire authorities to determine the proper type and size of fire extinguisher.
- This appliance is for use with your barbecue grill only. **DO NOT** use the grill or this rotisserie for anything other than its intended purpose.
- **DO NOT** use while under the influence of drugs or alcohol.
- When using the AC current rotisserie, it must be electrically grounded in accordance with local codes, or in the absence of local codes:
  - In the US: The National Electrical Code – ANSI-NFPA No. 70 – Latest Edition
  - In Canada: the Canadian Electrical Code – CSA C22.1
- Use only a Ground Fault Interrupter (GFI) protected circuit with this outdoor cook gas appliance.

PARTS LIST

PARTS LISTS:

Inspect the contents of the box before assembly. Contact support@tytusgrills.com if any parts are missing or damaged.

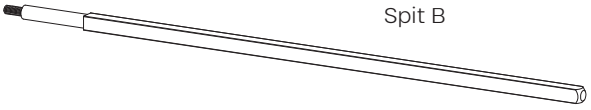

- Spit rod (1)
- Forks (2)
- Collar (1)
- Motor (1)
- Motor bracket (1)
- Thumbscrews (3)
- Screws (2)
- Nuts (2)

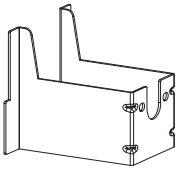

Rotisserie Motor

Spit A

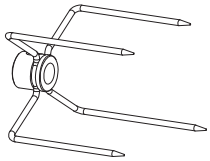

Spit B

Motor Bracket

Rotisserie Screw

Holding Forks

Rotisserie Washer

Rotisserie Nut

Collar

Thumb Screws

INSTALLATION

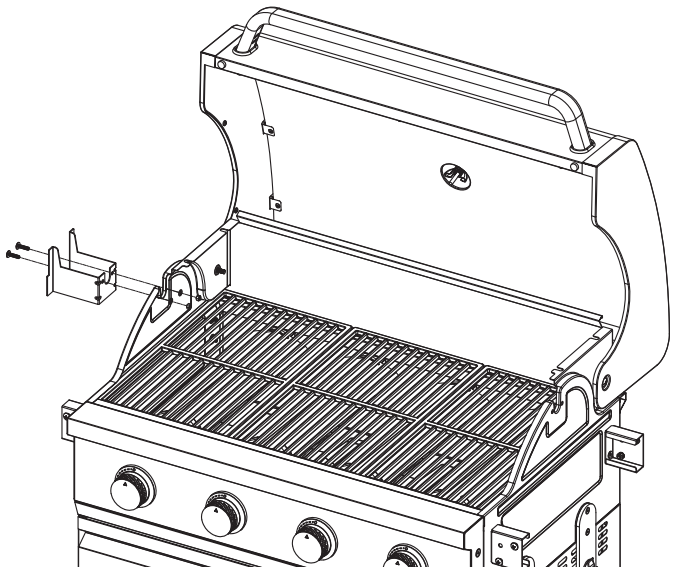

FOLLOW THESE STEPS TO INSTALL YOUR ROTISSERIE KIT

STEP 1

Open the grill hood and remove the warming rack.

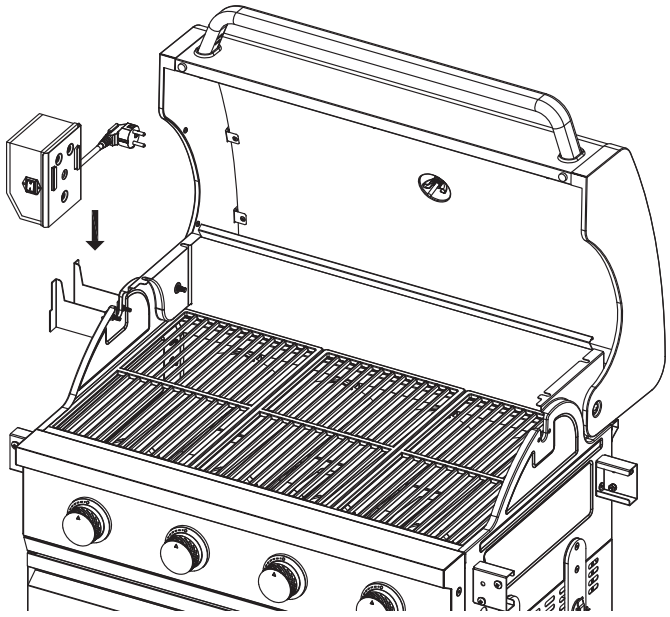

STEP 2

Attach the motor bracket to the outside of the left grill wall. Line up the holes and secure them with the provided screws and nuts.

STEP 3

Attach the motor to the bracket with the power cord facing downward. The motor will be on the left side of your grill.

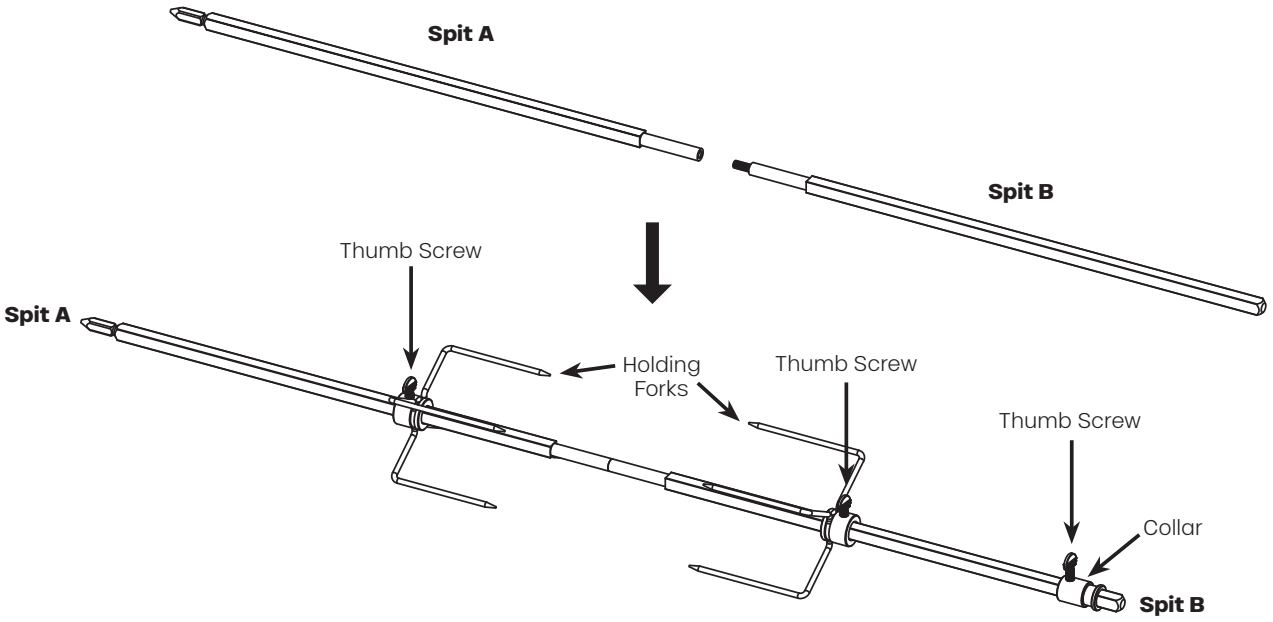

STEP 4

A. Screw **Spit A** and **Spit B** together until fully tightened.

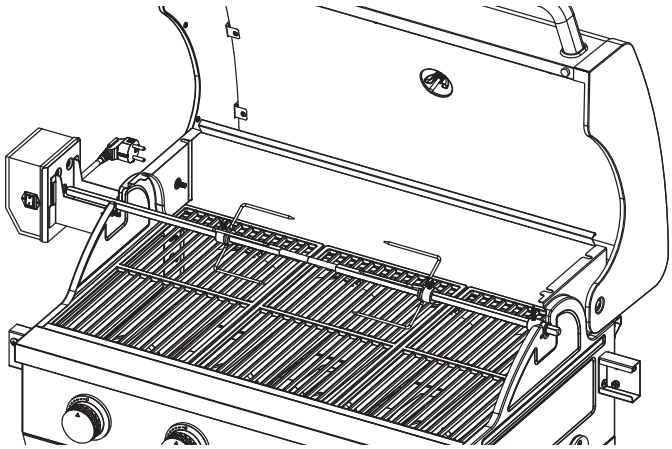

B. Slide a fork onto each end of the spit rod, adjust spacing for food, and tighten thumbscrews to lock.

C. Slide the collar onto the threaded end of the spit rod. Do not tighten yet.

STEP 6

Insert the spit rod into the motor, then rest the collar into the support slot. Tighten the collar thumbscrew.

STEP 7

Plug the motor into a grounded outlet. Switch motor **ON** briefly to test rotation, then turn **OFF** until ready to cook.

USING YOUR ROTISSERIE

OPERATING THE ROTISSERIE

1. Prepare your food by trussing poultry or tying roasts to create a uniform shape.
2. Slide one fork onto the spit rod and position it to secure food from one side.
3. Push the spit rod through the center of the food.
4. Slide the second fork on from the other side, securing it tightly against the food.
5. Rotate the spit rod by hand to check balance. If it rolls unevenly, adjust the food position until it is balanced.
6. Place a drip pan directly under the food, on top of the flame tamers.
7. Place the spit rod into the motor and support bracket. Close the lid and switch the motor **ON**.
8. Always switch the motor **OFF** before opening the grill lid or adjusting the food.
9. When the food is done, use heat-resistant gloves to remove the spit rod. Carefully loosen the thumbscrews, remove the fork, and slide the food off the rod.

TIPS

- Erratic noises from the motor are a sign of an unbalanced spit rod, which could cause severe damage to the motor gears. If you hear erratic noises, turn the rotisserie off and readjust the meat.
- The rotisserie motor is capable of turning up to 12 pounds of meat. If your meat touches the grates, remove both cooking grates.

COOKING TIPS

- Balance is key: an unbalanced load strains the motor and affects cooking.
- Use a drip pan to catch juices. Add water, broth, or wine with herbs for extra flavor.
- Truss poultry with butcher's twine to keep wings and legs tight.
- Check rotation during the first 10–15 minutes; food may shift as it cooks.
- Approximate guide: a 4–5 lb chicken typically cooks in 60–90 minutes at medium heat.

CLEANING & MAINTENANCE

- Wash spit rod and forks in warm, soapy water.
- Wipe motor clean with a soft cloth; never immerse in water.
- Store motor and parts in a cool, dry place.
- Stainless steel near burners may darken after first use. This is normal.

WARRANTY

TYTUS GRILLS LIMITED WARRANTY TO ORIGINAL CUSTOMER

(The "Products" or "Product" when referencing a singular product herein).

Tytus Grills, LLC ("Tytus") warrants the Products identified above to be free from defects in material and workmanship, for the relevant and specified Warranty Periods set forth below for specific parts or components of the Products, under proper use, maintenance, and care according to the owner's manual, warnings, and instructions accompanying the Products:

WARRANTY PERIODS:

TIME PERIOD COVERED:	2 years from the date of the original customer purchase*

*** PLEASE NOTE**: Proof of purchase evidencing the date of the original customer purchase, or the date of the spare part shipment or incorporation into the Product if applicable, is **required** for all warranty service. The express warranty set forth herein (the "Warranty") is subject to all terms set forth herein below.

1. **WARRANTY SERVICE (PARTS, LABOR AND/OR REPLACEMENT):** During the Warranty Periods set forth above, if the parts or components covered by each respective Warranty Period are determined by TYTUS or a TYTUS authorized customer service provider to be defective in material or workmanship, TYTUS will, at its sole discretion and option: (i) repair the defective part or component at no charge to the original customer, (ii) replace the defective part or component with a new or refurbished part of similar or better quality, at no charge to the original customer, or (iii) refund the original, documented purchase price of the Product (excluding tax) to the original customer upon return of the defective Product as directed by TYTUS. After the applicable Warranty Period, the customer must pay for all parts, shipping and handling, labor, and replacement costs associated with the Product or any part or component thereof, regardless of any defects in the Product or any part or component thereof.

    a. **SHIPPING COSTS:** Notwithstanding the foregoing, the customer is responsible for any shipping or transportation charges incurred to ship or otherwise deliver the Product or part(s) to TYTUS or a TYTUS authorized service provider for diagnosis, repair or replacement during or after the Warranty Periods. The customer shall not return the Product or any part or component thereof to TYTUS without TYTUS's prior written consent. TYTUS recommends that the customer insure the Product or any part or component for its full replacement cost when shipping.

    a. **TIMING AND PROCEDURE:** Before Warranty service can commence, the original customer purchaser must contact TYTUS for problem determination and service procedures. Proof of purchase in the form of a bill of sale or receipted invoice, evidencing that the Product is within the Warranty Period, MUST be presented to a TYTUS authorized customer service provider in order to obtain the requested service. Please call the Toll Free Customer Service Line at 855-969-5185 to obtain Warranty Service and Troubleshooting information. Please have your model and serial number available, along with your date of purchase of the Product. You can also visit us online at: www.tytusgrills.com. The customer shall not return the Product or any part or component thereof to TYTUS without TYTUS's prior written consent.

2. **EXCLUSIONS AND LIMITATIONS TO WARRANTY SERVICE:** This Warranty covers manufacturing defects in materials and workmanship encountered in the normal, non-commercial use of the Product, and does not cover (a) damage or failure caused by or attributable to Product abuse or misuse, failure to follow instructions, improper installation or maintenance, alteration, accident, high cooking temperatures, outdoor humidity, outdoor temperature, chlorine, fertilizers, lawn pesticides, or chemical exposure; (b) improper or incorrectly performed repairs by non-authorized service facilities; (c) onsite customer instruction or adjustments, and any costs related to service calls to your home; (d) transportation, shipping, delivery, pickup, insurance, installation, or set-up costs; (e) costs of product removal, transportation, or reinstallation costs; (f) ordinary wear and tear, cosmetic damage, or damage due to acts of nature, including but not limited to, water, floods, wind, storm, tornado, earthquake, or fire, or due to damage caused by extraordinary impact events, such as dropping or crushing; (g) commercial use of the Product, or use of the Product for anything other than single-family household or residential use; (h) modification of the Product or any part of the Product; or (i) any food loss due to Product failure or difficulties in operating the Product.

    This Warranty applies to the original customer only and does not cover Products sold AS IS or WITH ALL FAULTS. The Warranty is invalid if the factory-applied serial number has been altered or removed from the Product. This Warranty is valid only in the United States and Canada, and only applies to products purchased and serviced in the United States and Canada. All replaced parts and Products, and Products on which a refund is made, become the property of TYTUS. The addition of equipment or features to the Product that are not manufactured or recommended by TYTUS could affect the intended function of the Product, and therefore may void the Warranty. Furthermore, the exposure of the Product to chemicals, heat, cold, humidity, or other elements can affect the Product components, and therefore, the Warranty does not cover discoloration, fading, cosmetic changes, rust, or any damages or failure related to any such items. The Warranty is contingent upon the proper use, maintenance, and care of the Product. The Warranty may be void if the Product has been used in a manner contradictory to, or in violation of, the terms of the user's manual, warnings, or instructions accompanying the Product.

    This Warranty is made in lieu of and supersedes all other warranties or conditions of merchantability or fitness for a particular purpose or general use, whether express, implied, collateral, statutory, or provided by common law, the Uniform Commercial Code, or otherwise. TYTUS further disclaims all warranties after the end of the Warranty Period defined above. No other express warranty or guaranty given by any other person, firm, or entity with respect to the Product shall be binding on TYTUS. Repair, replacement, or refund of the original purchase price, at TYTUS's sole discretion, are the exclusive remedies of the customer. TYTUS shall not be liable for any incidental or consequential damages caused by the use, misuse or inability to use the Product. These include but are not limited to any damages in the form of lost profits, loss of use, legal fees, economic loss, personal injuries, or any other damages caused by circumstances beyond the control of TYTUS. Notwithstanding the foregoing, TYTUS' aggregate liability to any customer shall not exceed the purchase price of the Product. This Warranty shall not extend to anyone other than the original customer who purchased the Product, and is not transferable. No person is authorized to alter, extend, or waive the Warranty of TYTUS.

    Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on warranties, so the above limitations or exclusions may not apply to you. This Warranty gives you specific rights, and you may have other rights, which vary from state to state. The exclusions and limitations to the Warranty apply to the maximum extent permitted by law and unless restricted or prohibited by law. Where any term of this Warranty is prohibited by applicable law, it shall be null and void, but the remainder of this Warranty shall remain in effect.
