TOBIN ELLIS SIGNATURE SERIES
LIMITED EDITION MOBILE BAR

BRING THE PARTY ANYWHERE
WITH PERLICK'S LINE OF LUXURY BAR EQUIPMENT
DESIGNED FOR BARTENDER EFFICIENCY

Perlick's new line of mobile bars offers all the quality of our preassembled underbars. Our mobile bars are designed by a bartender and are engineered for efficiency. Easily move the bar anywhere within your venue for layout flexibility. Utilize one or several units to create multiple stations to maximize sales of highly profitable cocktails.

TOBIN ELLIS SIGNATURE SERIES LIMITED EDITION MOBILE BAR
The world's most luxurious, ergonomic mobile bar

Designed by Tobin Ellis especially for high-volume, upscale venues, this mobile cockpit features a custom, high-performance solid surface "cockpit bar counter" with an 8" deep work board and additional ergonomic features for greater bartender comfort, all wrapped in luxurious, eco-friendly *toffee crocodile* recycled leather.

All Perlick Tobin Ellis Signature Series Limited Edition Mobile Bars include:

- Luxury finishing with eco-friendly recycled leather in **Toffee Crocodile**, selected especially for upscale environments
- Extra-large inlaid 8" deep perforated work board with a custom antique copper finish keeps bartop clean and dry
- Featuring smooth, rounded edges and corners throughout for added bartender comfort
- Durable, solid surface bar top finished in **Vanilla Sugar** has been custom-shaped to match the cockpit design
- Optimized to an ideal height for all bartenders, male and female, to increase speed and reduce repetitive stress injuries
- Double-drainboard design allows for maximum flexibility for any catering or mobile environment
- One of the only mobile bars ever designed that puts bartender-at-center for true zero-step bartending
- Bar holds up to 27 liters, 36 pieces of glassware, 40 cans or bottles of soda, 3 types of ice, and more, depending on set-up
- Ample storage for glass racks, back up cases, bus tubs, and so much more, all hidden from guests' line-of-sight
- Designed by Tobin Ellis to leverage his 32 years of high-volume, upscale bartending experience, including more than 20 years in mobile bar catering for 5-diamond resorts, high-volume Las Vegas nightclubs, and so much more

PERLICK SIGNATURE SERIES MOBILE BARS

Designed by Tobin Ellis

Perlick's Signature Series Mobile Bars utilize the Tobin Ellis zero-step bartending cockpit design for efficiency, which means more drinks poured in less time resulting in greater profits and less bartender fatigue. Easily move the bar anywhere inside or outside of your venue for design and operational flexibility.

All Perlick Signature Series Mobile Bars include:

- Tobin Ellis bartender cockpit for increased efficiency and revenue
- Laminate, stainless steel, or engineered solid surface bar top options
- Laminate exterior offered in multiple colors
- Locking 5" 304 stainless steel casters, for corrosion resistance, with polyurethane tread
- Lower storage area for glass racks, dry goods, and canned or bottled beverages
- LED bartender task lighting for operating in the evening and low light settings
- Ice melt drainage tank
