

CAFÉ™ 30" Smart Slide-In, Front-Control, Dual-Fuel Range with Warming Drawer

Model# C2S900P2MS1

- Built-In WiFi, Powered by SmartHQ™ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant (Select features require WiFi Connection) [See details](#)
- Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire
- No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray (WiFi Enabled)
- Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites
- An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted
- Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K triple ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K power boil burner to boil water quickly for al dente angel hair pasta
- Treat yourself to the best of both worlds - Get the precision you need to pull off a multi-course dinner party with Dual Fuel, which boasts a gas-

powered cooktop for precise heat control and electric True Convection with Precise Air in the oven for even baking results

- Never-scrub, smooth-glide racks - Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly and stay in the oven during the self-clean cycle, so you never have to handle cumbersome racks again
- Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste
- Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door
- Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks
- Worry about guests, not the cooking - Confidently cook over a steady flame with the electronic ignition's automatic reignition feature that instantly revives any accidentally extinguished flames
- Choose the range you want with total confidence - When you're updating your kitchen, attention to detail is a priority. That's why CAFÉ™ 30" slide-in ranges are guaranteed for an exact fit or CAFÉ™ Appliances will pay up to \$300 toward modifications.
