# GE® ENERGY STAR® 24" 4.1 Cu.Ft. Front Load Ventless Condenser Electric Dryer with Stainless Steel Basket Model# GFT14ESSMWW

- Ventless condenser dryer - Can be installed conveniently in a closet, placed under a counter or stacked in a corner without the need to vent externally
- Reverse-a-door - Door opening can be reversed to meet laundry room needs
- Stainless steel drum - Resists rust and helps protect clothes
- Outlet for Washer - Provides an outlet for the washer for easy and flexible installation
- Sensor Dry with dual thermistors - Continually monitors moisture and temperature to prevent clothing wear and tear that can result from over-drying and inconsistent heat
- Electronic touch controls - Enjoy easy operation and cleanability with streamlined controls
- Damp Alert - Alerts you when clothes are the ideal dampness for ironing, for perfectly wrinkle-free results
- Extended Tumble - Tumble clothes without heat to help prevent creasing and wrinkling
- Sanitize cycle - This option reduces certain types of bacteria by 99.8%
- LED dryer interior light - Find that last sock in the dryer thanks to a bright, energy-efficient and long-lasting LED light
- Dryer rack - Allows tumble-free drying of items like sneakers and stuffed animals
- Quick Dry - Quickly dries items and small loads for families on the go
