- Filter Replacement Reminder Light - Helps maintain optimal airflow by signaling when it's time to replace the filter, with simple reset control.
- 2.1 cu. ft. capacity - 1001 Watts (IEC-705 test procedure)
- Easy clean interior with steam clean - Makes cleaning spills and splatters a snap
- Chef Connect - Three options with a single touch. For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's surface light and vent
- Precision Defrost - Input your food's weight for automatic defrosting or set the time manually. Ideal for chefs who value precision and speed
- LED cooktop lighting - Brighten the kitchen while saving on energy and maintenance costs
- Four-speed, 400-CFM venting fan system - Quickly removes smoke, steam and odors from the cooktop to keep kitchen air fresh and clean
- Upfront charcoal filter with indicator light - Light indicates when odor-removing charcoal filter needs to be replaced
- My Cycle - Create a custom cook time setting, and with one touch, cook your favorite dish just the way you like
- Turntable On/Off - Gives you command over turntable rotation, ensuring optimal results when using oversized dishes
- Sensor cooking controls - Automatically adjusts time and power for delicious cooking results

- 10 Power Levels for Every Dish - From energizing morning beverages to delicate sauces, tailor your heating precision. Achieve perfection across from spectrum, from high heat to low heat.
- Express Cook Mastery - Instantly activate 1-6 mins cooking with a single press. Each number pad quick-starts equivalent minutes, blending speed with precision for the bustling, innovative kitchen
