GE Profile™ ENERGY STAR® 30" Smart Slide-In Induction and Convection Range with No Preheat Air Fry and EasyWash™ Oven Tray Model# PHS700AYFS

- Induction Cooktop - Enjoy fast, efficient, and responsive cooking with induction, which directly heats the pan, allowing for more precise temperature control while keeping the surrounding glass surface cooler and easier to clean.
- Built-In WiFi, Powered by SmartHQ App - Connect, control, and manage your oven from anywhere with your smartphone or tablet. (Select features require WiFi connection). [See details](#)
- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating.
- EasyWash™ Oven Tray - Revolutionize oven cleaning with the EasyWash™ Oven Tray. This enameled tray can be effortlessly removed for quick rinsing in the sink, or for larger messes, fits in our GE Appliances dishwashers.
- Griddle Zone - Create the perfect place for a griddle, grill, or other large cookware with two elements that work together to create a heated griddle zone right on the cooktop.
- PowerBoil Elements - Boil water faster thanks to induction elements that immediately heat your pan, not the cooktop surface.
- Convection - This convection oven has a rear fan that circulates hot air, ensuring more even browning and cooking results.
- Express Preheat - Get food on the table quicker thanks to a fast preheat oven. In just 7 minutes*, you have a preheated oven. *Preheats oven in just 7 minutes, bake mode to preheat beep, 350 degrees, one standard rack

- No Preheat Fresh Reheat - Perfect for leftovers from the night before, the to-go box from your favorite restaurant or refreshing soggy fries to ideal crispiness, this no preheat mode saves you time and delivers flawless results.
- No Preheat Pizza - Specifically designed to cook your frozen pizza, this no preheat option saves time and ensures perfect pizza from the crust to the toppings.
- GE Profile Connect + - Keep your oven up to date with GE Profile Connect+. Download software upgrades to ensure you always have the latest features, like new Air Fry modes, giving you access to continuous improvements and enhanced cooking experiences.
- Cookware Detection - This induction cooktop detects when your cookware is removed from the cooking surface and automatically shuts off the active element, helping you stay worry free.
- Fit Guarantee - Replace your old 30" free-standing range with a new 30" slide-in model. Profile slide-in ranges are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. [See offer criteria and details](#)
- Dual Element Oven - Produce great results with every bake thanks to upper and lower elements that provide rapid, even heat.
- Oven Storage Drawer - The removable oven storage drawer offers convenient storage for cookware and other kitchen accessories.
