

Tiburon Marble

## Advanced Waterproof Flooring

Upgrade kitchens, bathrooms, and any space demanding 100% waterproof protection with stunning stone-look tile. CALI's next generation laminate flooring delivers premium marble and porcelain textures and visuals in a DIY-friendly tile that is far lighter, more durable, and easier to maintain than actual stone. Flooring is scratch resistant and fortified by a high-density wood-based core with rapid click-lock milling for fast installations. Tiles also help to keep rooms quiet and comfortable with 2mm thick attached acoustic padding for enhanced sound and heat insulation.

### Smarter Than Stone

Waterproof laminate tiles deliver the look and texture of real stone or marble, but are warmer to the touch, more lightweight, and far easier to install and clean.

### Boosted Scratch Resistance

A highly durable surface with a premium AC4 rating makes CALI's upgraded tiles better protected from pet claws, high heels, and all the wear and tear of busy households.

### Healthy Home Flooring

Tiles are FloorScore certified and regularly tested to ensure low VOC levels for optimum indoor air quality and healthy homes.
