

For cut-out geometry please use only dxf-layer "cut-out"

For sinks with undermount installation the shown dimensions and tolerances must be respected to have an optimum fit of accessories guided in the cut-out opening.
 For sinks with drop-in installation the shown dimensions and tolerances must be respected to have an optimum function of the fixing clips.
 We recommend the consumer/fabricator decide on the cut-out opening before the cut-out is made.
 BLANCO will not be held responsible for any damage to the sink or countertop that may arise during the installation.
