

GE® 17.5 Cu. Ft. Top-Freezer Refrigerator

Model# GTS18DTNRWW

- #1 in Quality and Dependability - Among 16-22 cu. ft. refrigerators based on an independent study of property maintenance personnel. Source: The Stevenson Company, 2020— Market research company with over 20 years of experience in the appliance industry
- LED lighting - Find all your favorite foods under natural-looking light
- Adjustable wire shelves - Moveable racks can handle a variety of foods
- Upfront temperature controls - Easy-to-use controls regulate both fresh food and freezer sections
- High-gloss handles - Provide an appearance that is easy to clean
- Large 13.49 cu. ft. fresh-food capacity - Provides additional interior space
- 4.03 cu. ft. freezer capacity - Allows for additional storage
- Clear crisper drawers - Space to organize fruits and vegetables
- Gallon door storage bins - Enable larger items to be easily accommodated in the door
- Dairy Compartment - Provides easy access to items like butter and cheese
- Wire freezer shelf - Better organization for the freezer
- Icemaker-ready - Optional (IM4D) icemaker sold separately, eliminates the need to fill ice trays and ensures you have a steady supply of ice on hand
