# IMPORTANT PRECAUTIONS

**⚠️ WARNING:** To reduce the risk of serious injury, read all important precautions and instructions in this manual and all warnings on your strength equipment before using your strength equipment. Freemotion Fitness assumes no responsibility for personal injury or property damage sustained by or through the use of this product.

1. It is the responsibility of the owner to ensure that all users of the strength equipment are adequately informed of all precautions, have read and understood all warning and caution labels, and are informed of how to use the strength equipment properly.
2. All users of the strength equipment should be instructed to report any injury or strength equipment irregularity to facility staff immediately.
3. Before beginning any exercise program, consult your physician. This is especially important for persons over age 35 or persons with pre-existing health problems.
4. Use the strength equipment only as described in this manual.
5. Use the strength equipment only on a level surface. Cover the floor beneath the strength equipment to protect the floor.
6. It is the responsibility of the owner to ensure that there is enough space around the strength equipment for the intended exercise.
7. Using the anchor holes (see page 4), anchor the strength equipment to the floor to provide maximum stability.
8. Make sure that all parts are properly tightened before each use of the strength equipment.
9. Keep children under age 13 and pets away from the strength equipment at all times.
10. The strength equipment is designed to support a maximum total weight of 2,500 lbs. (1134 kg), or twenty 125-pound dumbbells. Note: The strength equipment does not include dumbbells.
11. Always wear athletic shoes for foot protection while exercising.
12. Over exercising may result in serious injury or death. If you feel faint, if you become short of breath, or if you experience pain while exercising, stop immediately and cool down.

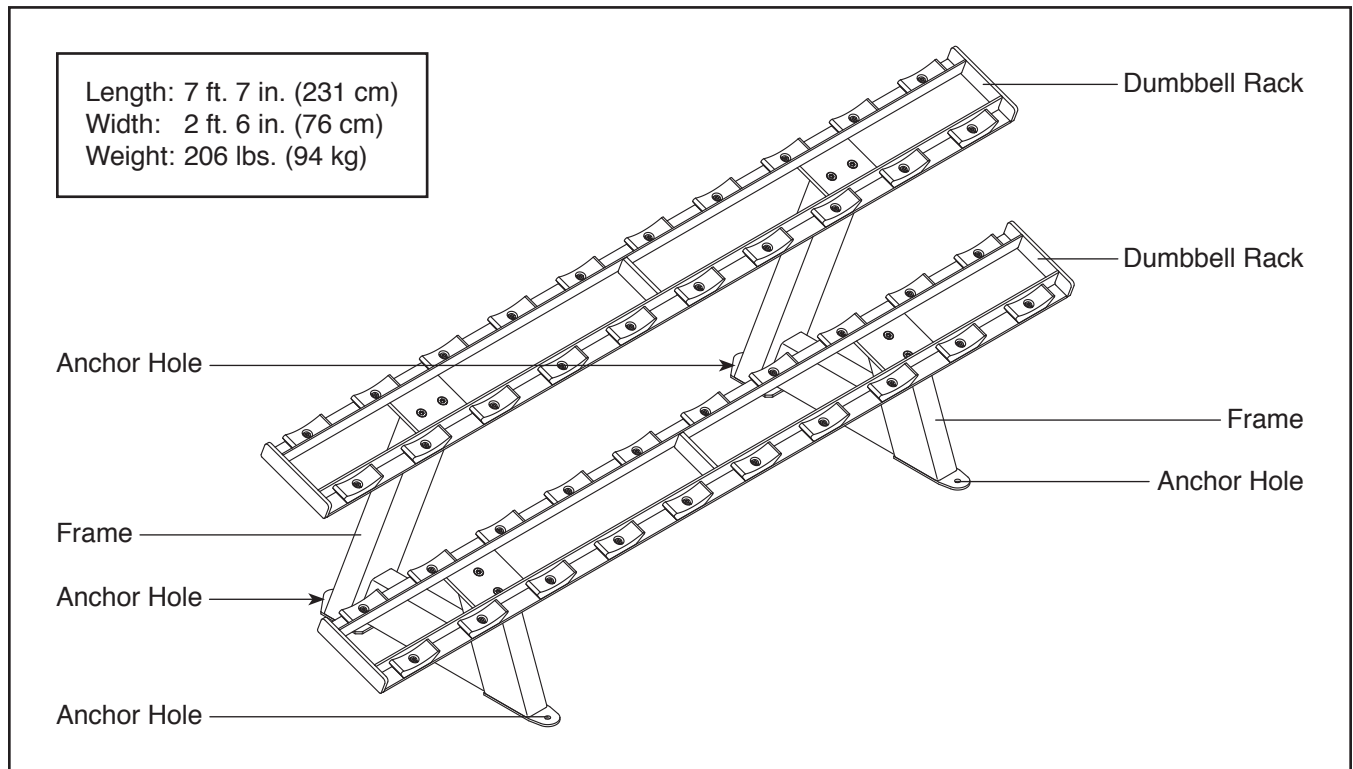

# BEFORE YOU BEGIN

Thank you for selecting the FREEMOTION® TWIN TIER DUMBBELL RACK strength equipment. The rugged TWIN TIER DUMBBELL RACK is designed to provide convenient storage and easy access for your dumbbells.

**For your benefit, read this manual carefully before you use the strength equipment.** If you have questions after reading this manual, please see the back

cover of this manual. To help us assist you, note the product model number and serial number before contacting us. The model number and the location of the serial number decal are shown on the front cover of this manual.

Before reading further, please familiarize yourself with the parts that are labeled in the drawing below.

# ASSEMBLY

**Assembly requires two persons.** Place all parts of the strength equipment in a cleared area and remove the packing materials; **do not dispose of the packing materials until assembly is completed.** **Assembly requires a set of metric hex keys (not included).**

1. Identify the Upper Dumbbell Rack (2) by looking at the orientation of the indicated holes (A).

Attach the Upper Dumbbell Rack (2) to one of the Frames (1) with two M12 x 30mm Screws (5); **do not tighten the Screws yet.**

Attach the Upper Dumbbell Rack (2) to the other Frame (1) with two M12 x 30mm Screws (5); **do not tighten the Screws yet.**

**Attach the Lower Dumbbell Rack (7) to the Frames (1) in the same way.**

**Then, tighten all eight M12 x 30mm Screws (5).**

2. **Make sure that all parts of the strength equipment are properly tightened.** To protect the floor or carpet from damage, place a mat beneath the strength equipment.

# MAINTENANCE AND TROUBLESHOOTING

For optimal performance of the strength equipment and to reduce the chances of injury to users, you must perform preventive maintenance on a regular basis. Instruct all personnel to perform the procedures described in this section. Personnel must also record and report any accident. To maintain the strength equipment's warranty, use only FREEMOTION parts for repair or replacement. If there are any questions or concerns, see HOW TO CONTACT CUSTOMER CARE on the back cover of this manual.

## DAILY MAINTENANCE

Clean the strength equipment using a soft cloth dampened with a light solution of mild soap and warm water. If necessary, use a soft bristle brush with the cleaning solution.

Then, rinse the area thoroughly using a soft cloth dampened with clean water, and thoroughly dry it.

**CAUTION:** When using any cleaning product, try it first in an unnoticeable place to ensure that there is no damage to the material. Follow the directions and the safety precautions of the manufacturer of each cleaning product used. Freemotion Fitness and its vendors cannot be held liable for damage or injuries resulting from the use or misuse of cleaning products.

**IMPORTANT:** Do not use abrasive cleaners, which may scratch the strength equipment. Strong cleaners and abrasives will damage decals; use caution around decals. Do not use solvents such as lacquer thinner, kerosene, gasoline, or similar liquids.

## WEEKLY MAINTENANCE

### Hardware

Check all nuts and bolts, and tighten them if necessary.

# LIMITED WARRANTY

## WARRANTY PERIODS AND COVERAGE

Freemotion Fitness warrants this product to be free from defects in workmanship and material under normal use and service conditions. Parts and labor are warranted for one (1) year, unless otherwise specified on the invoice.

The warranty period commences on the invoice date of purchase. Any parts repaired or replaced during this warranty period will be warranted for the remainder of the original warranty period.

## CONDITIONS AND LIMITATIONS

The following will void the warranty on this product:

1. This warranty applies only to the original owner and is non-transferable.
2. The labor warranty applies only to products sold in the US and Canada. Contact your authorized Freemotion Fitness dealer for details on labor coverage in your country.
3. Any misuse, abuse, or improper service.
4. Users who weight more than the maximum user weight listed in this manual. Note: This product may not have a maximum user weight.
5. Damage caused by moving the product or improper storage including moving or storing the product on its side.
6. Use or storage of the product outdoors or in high-humidity environments including spa and pool areas.
7. Damage caused by improper wiring or insufficient electrical current. Note: This product may not have wiring.

This warranty shall not apply to the following:

1. Cosmetic items including grips, decals, and labels.

2. Pick-up and delivery or freight charges involved with a repair.
3. Any problem as a result of improper assembly or delivery.

## WHAT TO DO IF SERVICE IS REQUIRED

Freemotion Fitness warranty service may be obtained by contacting the authorized dealer from which you purchased this product. Make sure to retain your original invoice and serial number information. If this product experiences a failure under the warranty terms set forth, Freemotion Fitness shall provide at their option either repair, replacement, or refund of the purchase price. Freemotion Fitness compensates service providers for warranty trips within their service area. You may be charged additionally for service calls beyond this service area.

Freemotion Fitness is not responsible or liable for indirect, special, or consequential damages arising out of or in connection with the use or performance of the product; damages with respect to any economic loss, loss of property, loss of revenues or profits, loss of enjoyment or use, or cost of removal or installation; or other consequential damages. Some regions do not allow the exclusion or limitation of consequential damages. Accordingly, the above limitation may not apply to you. This warranty gives you specific rights, and you may have other rights that vary from region to region.
