 HESTAN

CHEF-PROVEN PERFORMANCE.

EXPLORE YOUR OPTIONS AND BUILD YOUR DREAM KITCHEN AT BUILDYOURHESTAN.COM

The Hestan team spent years working alongside America’s most celebrated chefs. As we created award-winning innovations for their kitchens, we followed one cardinal rule: build with purpose. Everything must work exceptionally and without excuse. Every night. So you won’t find bells, whistles or gimmicks in the Hestan kitchen – just meticulous craftsmanship, meaningful technology and proven reliability. Hestan was built to meet the needs of the most demanding chefs. And we count you foremost among them.

HESTAN VINEYARDS

Hestan’s limited-release wines offer an award-winning and distinct taste of the Napa Valley.

HESTAN COMMERCIAL

Hestan is reinventing the restaurant kitchen with award-winning innovation and American-made durability.

HESTAN INDOOR

Hestan delivers chef-proven performance to the home with unrivaled power, exceptional control and thoughtful technology.

HESTAN OUTDOOR

Built in California from superior-grade materials, Hestan Outdoor introduces a new level of performance to the backyard.

HESTAN COOKWARE

Handcrafted in Italy to the highest standards of fit and finish, Hestan Cookware delivers revolutionary performance and lasting beauty.

HESTAN SMART COOKING

Hestan Cue helps you become a better cook with smart cookware, induction burner and recipe app working in unison.

COOKING

Hestan reinvented the restaurant kitchen. And now we've reimagined yours. Hestan offers the most powerful sealed burner available on the residential market. But more importantly, Hestan also delivers the lowest simmer setting – because power is nothing without control. From the smart induction cooktop to the patented MarquiseDisplay™ on the oven handle, every detail in the Hestan cooking lineup is designed to empower you. To give you more control. More confidence. More dazzling dinner parties.

The Hestan kitchen is available in 12 signature color finishes.

HESTAN COOKWARE DELIVERS A LIFETIME OF BEAUTIFUL PERFORMANCE.

- NanoBond:** 4x stronger than stainless
- CopperBond:** Exceptional conduction and control
- ProBond:** Heavy-duty durability and lightweight maneuverability

COOKING IS A CELEBRATION OF DETAILS.

“From ingredients to temperature, every detail colors your food. Cook thoughtfully, and every nuance dances on the plate. Hestan’s engineers understand this. That’s why you’ll find Hestan in my kitchens at French Laundry, Per Se and TAK Room. Every grate, burner and knob is designed to enhance performance; every intuitive innovation is built around the chef.”

Chef Thomas Keller

REFRIGERATION

Refrigeration is the unsung hero in the kitchen. After all, no matter how well you cook, you can't overcome less-than-fresh ingredients. Hestan refrigerators and freezers improve food preservation with antimicrobial stainless steel, advanced ventilation and EvenFlow Air Circulating Technology™, which traps cold air behind an air curtain even when the door is open. You can also count on our triple-paned, multi-temperature zoned wine cellars and wine refrigerators to safely preserve your reds, whites and bubbles. And undercounter options like our ice machine and beer dispenser give you ultimate host status.

36" Refrigerator and 24" Wine Cellar shown in Steeetto

30" Column Refrigerator or Freezer
24" also available

36" Bottom Compressor Refrigerator

36" Top Compressor Refrigerator

Hestan refrigeration works smarter and looks brilliant. Refrigerators and freezers silently and diligently preserve your food and ingredients. A feat of mechanical engineering delivers extra storage depth within standard cabinet depths. Refrigerator and wine cellar bottom drawers offer three independent temperatures zones ranging from fresh food to deep freeze. Wine cellars and wine refrigerators preserve your favorite vintages at the perfect temperature while keeping them safe from light and vibration, if not toast-happy guests. And undercounter refrigeration options, including a beer dispenser, ensure refreshments are always ready wherever the party congregates.

**ANTIMICROBIAL
EVERCRISP™
DRAWERS AND

THOUGHTFUL TECHNOLOGY. POWERFUL FEATURES.

We believe the right use of technology can actually make cooking more personal. Hestan equips you with innovative and intuitive tools to inspire you to spend more time in the kitchen – and love every minute of it.

DEEPER REFRIGERATOR CAPACITY Hestan's engineering team created much deeper storage space than typical cabinet-depth built-in refrigerators by moving the evaporator to a concealed, side-mounted position.

PATENTED MARQUISEDISPLAY™ TOUCH CONTROL Digital display and touch controls are elegantly embedded in the range door handle. This industry first delivers exceptional convenience, elegance and chef-friendly control.

ADJUSTABLE SHELF SYSTEM Easily adjust shelves to any height position, not preset slots. You don't even have to remove items from the shelf.

EVENFLOW AIR CIRCULATING TECHNOLOGY™

Independent compartmental ventilation allows for uniform and precise temperature control, ensuring better food preservation.

SIMMER FLAME CAPABILITY Hestan's precision sealed burner system maintains continuous gentle temperatures without flickering – perfect for delicate sauces.

BACKLIT CONTROL KNOBS Unique, elegant lighting enhances both visibility and style.

SPECTRUM POWER DISPLAY™

The Spectrum Power Display on our radiant cooktops empowers you with instantly intuitive and exceptional control over the premium Trinal™ triple burners.

SOFT-CLOSE OVEN DOOR The soft-closing oven door with extra-wide glass provides both increased food visibility and heat insulation, along with shock-absorbing, assisted closing to make sure heat stays where it belongs – in the oven.

SMART INDUCTION COOKING Hestan smart cooking technology is integrated into our smart induction cooktop. When paired with Bluetooth-enabled cookware and the app on your tablet or smartphone, your cooktop becomes a culinary school. Chef-guided videos walk you through each step and technique for hundreds of recipes.

AUTOMATIC DISHWASHER DOOR OPEN The dishwasher door automatically opens at the end of the cycle. This increased airflow significantly optimizes drying and eliminates water spots. It's also a visible reminder that the dishwasher has finished – because at an ultra-quiet 42dB, your ears will never know the difference.

CIRCUFLOW VENTILATION SYSTEM™ Hestan's breakthrough baffle-less variable-speed blower system collects 70% more grease than almost every other vent hood.

VENTILATION & CLEANUP

36" Canopy Hood
shown in Prince

There is a direct correlation between the towering pile of dirty dishes and the number of happy guests. So, while you cook up a storm, Hestan ventilation silently corrals the smoke, grease and odors. Your dinner party will never know we're there. Then, after the last glass is cleared and the laughter fades out of the front door, the Hestan dishwasher quietly goes to work – so the only thing that sparkles more than the stemware at your next dinner party will be the conversation.

36" Chimney Hood
Also in 30", 42", 48" and 54" widths

36" Island Hood

also delivers best-in-class
air-flow efficiency.

54" Canopy Hood
Also in 30", 36", 42" and 48" widths

36" Liner Hood
Also in 30", 42", 48" and 54" widths

Cooking tends to leave behind a joyous mess. Hestan happily (and silently) handles it. Hestan hoods clear the air of even the most intense cooking odors with best-in-class ventilation while safely collecting 70% more grease than most competitors. The dishwasher cleans everything from stock pots to stemware quietly, carefully and thoroughly with its patented Double Axial Washing System™. Then the automatic door pops open to maximize airflow and conserve energy for spot-free drying. It's the next best thing to a magic wand.

**PATENTED
DOUBLE AXIAL
WASHING

process for full coverage and
optimum water usage.

SIGNATURE COLORS

From the classic stainless of Steeetto to a fresh burst of Citra, Hestan offers 12 signature color options to complement your kitchen style. You can also create a seamless look with custom overlays on refrigerators, freezers, dishwashers and hoods. All Hestan finishes are powder-coated to ensure they look beautiful no matter how hard they work for you.
