

# Universal Single door Refrigerator

RSDU30R  
Built-in

Semi-professional refrigerator of premium quality and large dimensions for the home environment. The most advanced technologies are combined with Smeg's elegant design to guarantee maximum refrigeration performance together with intelligent functions

## Features

- Inverter compressor** - Inverter compressor reduces noise and vibration levels for a quiet and comfortable kitchen environment
- No-Frost system** - The No Frost system prevents the formation of ice and contributes to better preservation of food in the refrigerator
- Fruit and vegetable compartment** - Specially designed compartment, perfectly crafted to keep fruit and vegetable fresh
- Plastic multiflow system** - The Multiflow system ensures even distribution of cold air inside the refrigerator

# General information

|                |             |
|----------------|-------------|
| Installation   | Built-in    |
| Category       | Single door |
| Hinge position | Right       |

## Aesthetic

|                  |           |
|------------------|-----------|
| Aesthetics       | Universal |
| Display          | TFT       |
| Display position | Internal  |

# Refrigerator compartment features

|                                        |       |
|----------------------------------------|-------|
| No. of adjustable shelves              | 3     |
| Number of fruit and vegetables drawers | 3     |
| Refrigerator lighting                  | LED   |
| Shelves material                       | Glass |

# Refrigerator Inner Door

|                                   |   |
|-----------------------------------|---|
| Number of adjustable door shelves | 3 |
|-----------------------------------|---|

# Other technical features

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| Display functions  | Holiday, Fast-cooling, Temperature alarm, Showroom mode, Sabbath |
| No. of compressors | 2                                                                |
| Compressor type    | Inverter                                                         |

# Performance / Energy Label

|                           |              |
|---------------------------|--------------|
| Annual energy consumption | 343 kWh/year |
|---------------------------|--------------|

# Electrical Connection

|                   |                |
|-------------------|----------------|
| Voltage (V)       | 115 V          |
| Frequency (Hz)    | 60 Hz          |
| Current           | 2.5 A          |
| Plug              | (B) NEMA 5-15P |
| Power cord length | 78 3/4 "       |

## Logistic Information

|                      |            |
|----------------------|------------|
| Width                | 29 15/16 " |
| Height               | 83 7/16 "  |
| Depth without handle | 24 "       |
| Net weight           | 340 lbs    |
