DualCut blades

For a fast and even trim

The Beard Trimmer 3000 features DualCut blades, for a fast and even trim. Spin the zoom wheel to lock in length settings at 3/64" (1mm) increments. Powered by a Lithium Ion battery for 90 minutes of cordless use.

Fast and easy trim

- DualCut blades for a fast and even trim
- 10 adjustable length settings lock in 3/64" (1mm) increments
- Lift&Trim comb captures more low-lying hairs with every pass
- Skin-friendly blades for smooth skin

Easy to use

- Lithium Ion battery, for up to 90 minutes of cordless use
- Lights indicate when battery is low, empty, full or charging
- Detachable head for easy cleaning
- Ergonomic design for easier handling
- Travel and storage pouch

Built to last

- 2 year warranty, worldwide voltage and no need to oil

Highlights

DualCut blades

2x more steel blades, for a fast and even trim. Blades are self-sharpening, for durable performance.

10 adjustable length settings

Spin the zoom wheel to lock in length settings at 3/64" (1mm) increments.

90 min cordless use

Powered by a Lithium Ion battery, for up to 90 minutes of cordless use with an 8-hour charge.

Lift&Trim system

Trim your stubble beard with our new Lift&Trim system: the comb lifts and captures more flat-lying hairs with every pass for an even trim.

Battery indicators

The device features lights which indicate when the battery is low, empty, full or charging. This ensures you don't run out of a charge mid-trim.

Skin-friendly blades

Blades have rounded tips, for smooth contact with skin. This helps prevent scratching and irritation.

Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.

Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

Built to last

We back this Philips trimmer with a 2-year warranty: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.
