# Wall Ovens

# Fit?

Buying a new wall oven is an exciting experience. We created this guide to help you collect the information you need to make choosing your new wall oven as easy as possible. Please use this measurement guide to ensure your new appliance will fit in its space properly. A measurement off by as little as 1/4 inch can turn the excitement of your new purchase into a major inconvenience. **If you choose to install the appliance yourself and it is returned because it will not fit, it will possibly cost you (the customer) a restocking fee.**

**White Glove Wall Oven Premeasure is included for free with a purchase of a new wall oven in select areas. This includes all the measurements in this guide, however, installation will involve an additional fee. To schedule a premeasure, please contact us at, 1-800-336-9136.**

What is the current brand of your wall oven? \_\_\_\_\_

Have you been happy with its performance? Yes  No

## Check Twice, Buy Once

Please check these measurements and configurations before selecting a new wall oven

Measure the depth of the space for the oven in all four corners.

Depth Top Right \_\_\_\_\_

Depth Top Left \_\_\_\_\_

Depth Bottom Right \_\_\_\_\_

Depth Bottom Left \_\_\_\_\_

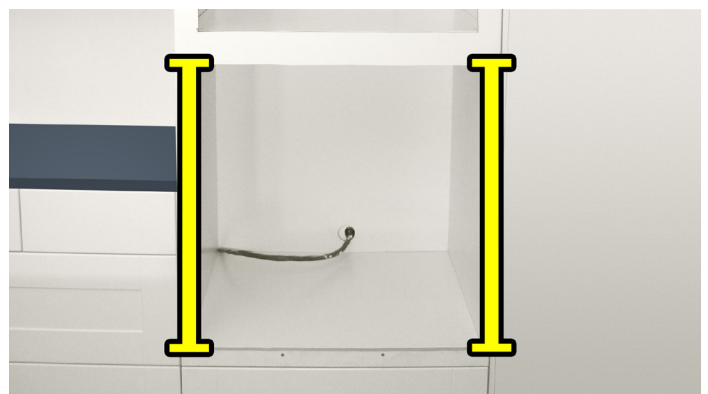

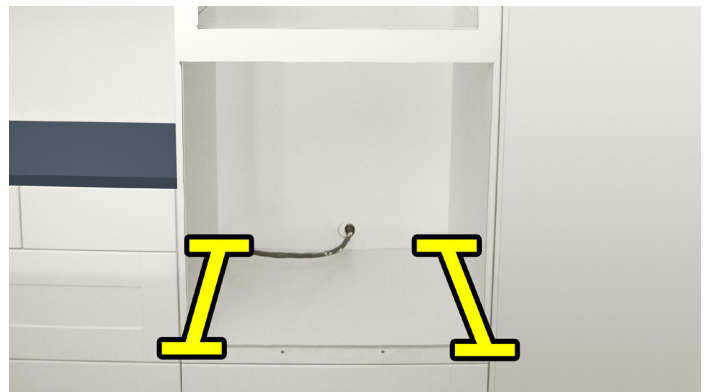

Measure the height of the space for the oven in all four corners.

Height Front Right \_\_\_\_\_

Height Front Left \_\_\_\_\_

Height Back Right \_\_\_\_\_

Height Back Left \_\_\_\_\_

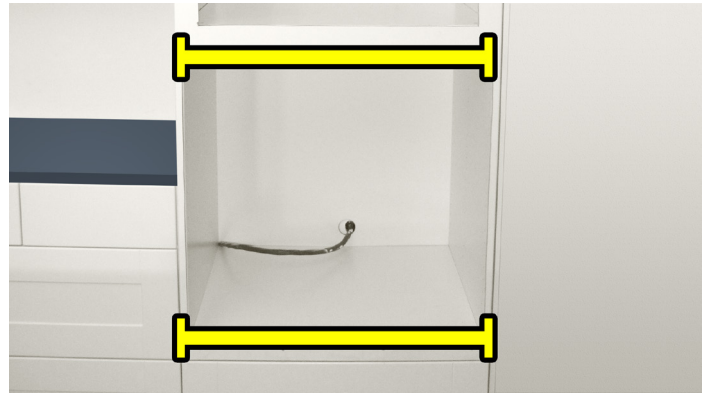

Measure the width of the space for the oven in all four corners.

Width Front Right \_\_\_\_\_

Width Front Left \_\_\_\_\_

Width Back Right \_\_\_\_\_

Width Back Left \_\_\_\_\_

## Obstacles

There are a couple questions that may affect the style of oven that will work in your kitchen.

Is your oven in a corner?

Yes  No

Is there an island in your kitchen?

Yes  No

## Getting Ready for Delivery

There are a few things to do before your new wall oven is delivered.

Locate your breaker panel and identify the breaker for the wall oven. The installer needs to turn off the power to your wall oven during installation.

If you have a gas oven, is the gas line heavy lead pipe with a visible shut-off valve?

Yes  No

## The Fun Part!

Selecting your new wall oven

Here at Nebraska Furniture Mart, we have a wall oven for every lifestyle, with many color and style choices. There are single ovens and double ovens as well as microwave/oven combo units in widths of 24", 27" & 30". We have gas and electric wall ovens featuring convection baking, probe thermometers and even rotisseries. It sounds like a lot to choose from, but don't be overwhelmed. Come in and we will help you narrow it down, that's why we are here!
