PRIME HARVEST® | ENGINEERED HARDWOOD

A Classic Choice for Natural Beauty

With Prime Harvest® floors, you simply can't go wrong. The collection features America's most-loved species in colors and widths designed to complement any decorating style. And because each plank is crafted from premium lumber and backed by a lifetime warranty, you know you are getting the best.

SMOOTH, CONSISTENT LOOK

Not all hardwood floors are the same. The Prime Harvest collection features only select and premium grade Appalachian hardwoods prized for denser, more stable wood with a tighter grain and rich color. More stable grades of hardwood also mean fewer streaks, knots and flaws, so you get a consistently beautiful floor.

EASY TO SHOP

The Prime Harvest collection makes it simple to get the hardwood floor you're looking for. Just choose the species, color and width to create the look you love. Both sophisticated and versatile, a few key choices can help you create the foundation for a room that isn't just in style – it's your style.
