COOLING

1. Advanced Temperature Management

Sleep Climate™ Technology - Dual layers of cooling technology are designed to help regulate temperature for all-night comfort.

COMFORT

2. Lasting Pressure Relief

Extra Firm Comfort Foam - A high-quality comfort foam delivers an extra firm feel to the mattress, so you can sleep in your preferred level of comfort.

AirCool™ HD Foam - A unique, channeled design helps this foam promote airflow for cool, enhanced pressure-relief.

Beautyrest® Gel Memory Foam - This contouring foam adheres to the shape of your body for night after night of exceptional pressure relief.

SUPPORT

3. Consistent Individualized Support Through The Night

Triple-Stranded Pocketed Coil® Technology - This Pocketed Coil® technology offers our most advanced level of individualized support and motion separation, so you can rest undisturbed.
