

GE Profile™ 30" Smart Built-In Convection Double Wall Oven with In-Oven Camera and No Preheat Air Fry

Model# PTD9000SNSS

- Built-In WiFi, Powered by SmartHQ App - Connect, control and manage your oven from anywhere with your smartphone or tablet (Select features require WiFi Connection) [See details](#)
- GE Profile Connect + - Ensure your oven always has the latest features, like new Air Fry modes, with downloadable software upgrades
- CookCam™ - Check on your food from anywhere without opening the oven door by live streaming video of your food on your smartphone
- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- No preheat options - Save time with a variety of precision cooking modes that eliminate the need for preheating
- Dehydrate Mode - Make homemade chips, spices and dried fruits with a high-capacity dehydrator within your oven
- Precision cooking modes - Simplify the cooking process with precision cooking modes that automatically track progress, and make time and temperature adjustments
- True European Convection with Direct Air - Faster more even results for roasts, chicken, turkey and other special-occasion favorites, with the only cooking system that delivers true top-down convection
- Remote Temperature Probe - Know exactly when your dish has reached the perfect internal temperature with temperature readings that you can view using the SmartHQ App
