

A modern kitchen with dark grey cabinetry, a copper bar island, and a city view through a window. The kitchen features a dark grey wall with a built-in shelf holding copper cookware and white dishes. A copper bar island with a built-in wine cooler is in the foreground. A large window with blinds offers a view of a city skyline. A unique, glowing, circular light fixture hangs from the ceiling.

BESPOKE Configuration

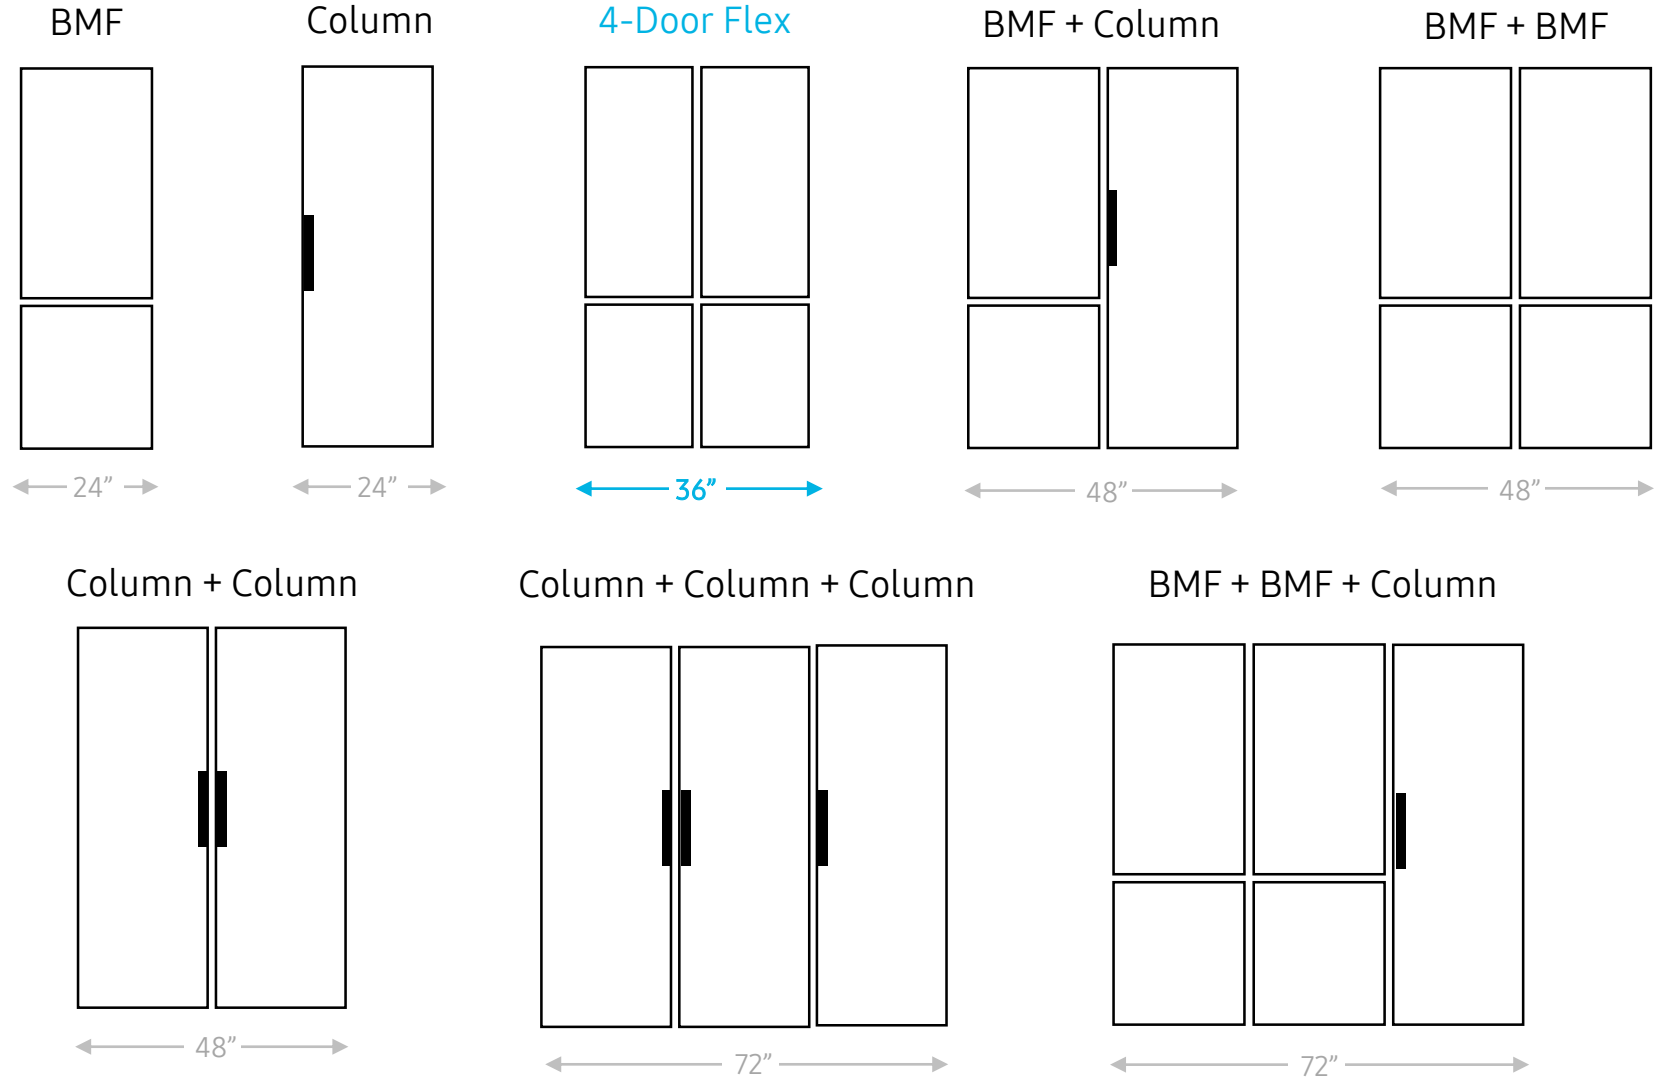

SAMSUNG

Design your Bespoke experience
for various openings:

24" 36" 48" 72"

While customizing the panel colors and finishes will bring new excitement around our refrigerator category, it's important to point out that consumers have even more design flexibility than they might realize.

Bespoke allows you to mix and match each configuration to create a setup for wider spaces. The choice is yours.
