

# GE Profile™ 30" Built-In Combination Convection Microwave/Convection Wall Oven

Model# PT7800SHSS

- Convection microwave (upper oven) - Circulates heat for high-quality results
- True European Convection (lower oven) - Achieve delicious results from a third heating element and fan combination
- Heavy-duty roller rack (lower oven) - Easily access items with a rack that glides smoothly
- Self-clean with Steam Clean option (lower oven) - Clean your oven the way you want
- Glass touch controls - Set temperatures quickly and clean with little effort
- Halogen interior oven lighting (lower oven) - Easily see how your food is baking
- 10-pass bake element (lower oven) - Even baking is assured with heat that covers more surface area
- 8-pass broil element (lower oven) - Get full broil coverage and even browning from edge to edge
- 16" turntable (upper oven) - Rotates food throughout the cooking cycle for even cooking results
- Fit Guarantee - Replacing a similar wall oven from GE Appliances or another brand? GE wall ovens are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. [See offer criteria and details](#)
- 1.7 cu. ft. microwave capacity (1000 Watts (IEC-705 test procedure))
