5.2 Safety and Handling

IMPORTANT SAFETY INFORMATION

Carefully go through the user manual and other documentation before setting up the DUEX MAX DS. If any part is broken or damaged, do not try to open DUEX MAX DS or attempt to fix it yourself, please contact the retailer, a qualified service technician or email us directly at contact@mobilepixels.us. Store DUEX MAX DS under appropriate conditions, avoid exposure to extreme heat, moisture and dust. We recommend you to place DUEX MAX DS on a stable surface and keep your DUEX MAX DS in a sleeve to protect it during transport. Never spill liquid of any kind onto the surface or into the openings of the v. Do not spray any cleaner on the screen to avoid an electric shock. If your DUEX MAX DS gets wet, unplug all cables and reconnect till the DUEX MAX DS is completely dry. Carefully unplug all cables before cleaning DUEX MAX DS. Clean with a soft, dry, lint-free cloth. To ensure satisfactory experience, use the DUEX MAX DS with recommended display size of your laptop. Please disconnect the cables when you reverse the position of DUEX MAX DS, decouple the DUEX MAX DS from the backplane of your laptop, rotate 180° About a vector normal to the backplane, and re-couple to the backplane of the laptop computer.

CHOKING HAZARD

DUEX MAX DS and accessories contain small parts that may present a choking hazard to small children, please keep them out of reach from small children.

MEDICAL DEVICE INTERFERENCE

The DUEX MAX DS contains magnets. The DUEX MAX DS also contain components and radios that emit electromagnetic fields. It may interfere with personal medical devices, e.g. pacemakers or defibrillators. Keep a safe distance between the DUEX MAX DS and your medical device. Consult a physician or medical device manufacturer for specific details of your medical device. Stop using DUEX MAX DS if the interference is observed with your personal medical devices. Items with magnetically-stored data such as credit cards and hard drives may be sensitive to magnetic or electromagnetic fields, hence should be kept at a distance from DUEX MAX DS.

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1_This device may not cause harmful interference. 2_This device must accept any interference received including interference that may cause undesired operation. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1_Reorient or relocate the receiving antenna. 2_Increase the separation between the equipment and receiver. 3_Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. 4_Consult the dealer or an experienced radio/TV technician for help.

WARRANTY

Mobile Pixels INC warrants this product for a period of 1 year upon the original date of purchase. Product or service warranty will not be extended to any losses or damages that are due to improper installation, misuse, neglect, modification, alteration by non-authorized third party, improper environment, or other irregularities.
