- #1 in Quality and Dependability - Among 16-22 cu. ft. refrigerators based on an independent study of property maintenance personnel. Source: The Stevenson Company, 2020— Market research company with over 20 years of experience in the appliance industry
- Premium Inner Door - Enjoy greater flexibility and organizational options with modular bins right on the door
- LED lighting - Find all your favorite foods under natural-looking light
- Edge-to-edge glass shelves - Enjoy a polished look and easy-access cleaning with edge-to-edge shelves that extend the full width of the refrigerator
- Sliding deli drawer - Enjoy greater flexibility in your fridge and easily create more space for tall items with an innovative drawer that can be positioned wherever you prefer
- Adjustable wire freezer shelf - Easily adjusts between two positions to accommodate items of all shapes and sizes
- ADA-compliant - Designed for easy operation and access as required by the Americans with Disabilities Act
- Upfront temperature controls - Easy-to-use controls regulate both fresh food and freezer sections
- High-gloss handles - Provide an appearance that is easy to clean
- Factory-installed icemaker - Refrigerator comes ready to automatically create ice

- ENERGY STAR® certified - Meets or exceeds federal guidelines for energy efficiency and provides year-round energy and money savings
- Large 15.25 cu. ft. fresh-food capacity - Provides additional interior space
- 6.68 cu. ft. freezer capacity - Allows for additional storage
- Clear crisper drawers - Space to organize fruits and vegetables
- Gallon door storage bins - Enable larger items to be easily accommodated in the door
