- 5 Year Warranty - This top load dryer is protected by a 5 year limited warranty on parts and labor, so you can have peace of mind that it will last a long time
- Even Airflow - This top load dryer is equipped with an extra-large heat diffuser that creates even heating and airflow for your laundry
- Long Vent - Enjoy installation flexibility thanks to a long vent that allows for up to 120 ft. of venting
- Commercial Grade Components - This dryer is built to last, with upgraded hinges, knobs, door strength and close latches for long-lasting performance
- Aluminized Alloy Drum - This top load dryer features a high-quality aluminized alloy drum that resists corrosion
- Shallow Depth Design - Reaching into your dryer is easier than ever thanks to the shallow depth design, which also fits into more spaces without sacrificing capacity
