

GE Profile™ 2.2 Cu. Ft. Over-the-Range Sensor Microwave Oven with Extendable Slide-Out Vent Model# PVM9225RYSS

- **Extendable Slide-Out Vent** - Extend the built-in vent for additional cooktop ventilation that doubles the capture rate for smoke and odors.
- **Sensor Cooking Controls** - Microwave sensor cooking automatically adjusts time and heating power to optimize results.
- **Expansive Capacity. Powerful Performance.** - With a large 2.2 cu. ft. capacity, this microwave provides ample space to cook and reheat family favorites with speed, precision, and consistent results
- **400 CFM Range Hood** - Quickly remove smoke, steam and odors with a powerful ventilation hood that has four speeds.
- **Chef Connect** - Sync your clocks and range elements with the smart microwave's surface light and vent.
- **Steam Clean** - A steam cleaning mode makes it easy to clean spills and stuck-on food in no time.
- **LED Cooktop Lighting** - Illuminate your cooking surface with bright over-the-stove lighting that saves energy and reduces maintenance costs.
- **Capture Rate** - Thanks to the extended vent, the microwave capture rate is double the rate of typical over-the-range models.
- **10 Power Levels for Every Dish** - From energizing morning beverages to delicate sauces, tailor your heating precision. Achieve perfection across from spectrum, from high heat to low heat.
- **Express Cook Mastery** - Instantly activate 1-6 mins cooking with a single press. Each number pad quick-starts equivalent minutes, blending
