COMFORT

1. PillowSoft® Aire

This soft foam provides enhanced cushioning for exceptional comfort while promoting airflow through its unique, gently rippling design.

2. Cool Twist® Gel Memory Foam

This unique design features cooling gel swirled into premium memory foam. This breathable memory foam helps enhance airflow and heat dissipation for a feeling that can only be described as a cool, contouring type of comfort.

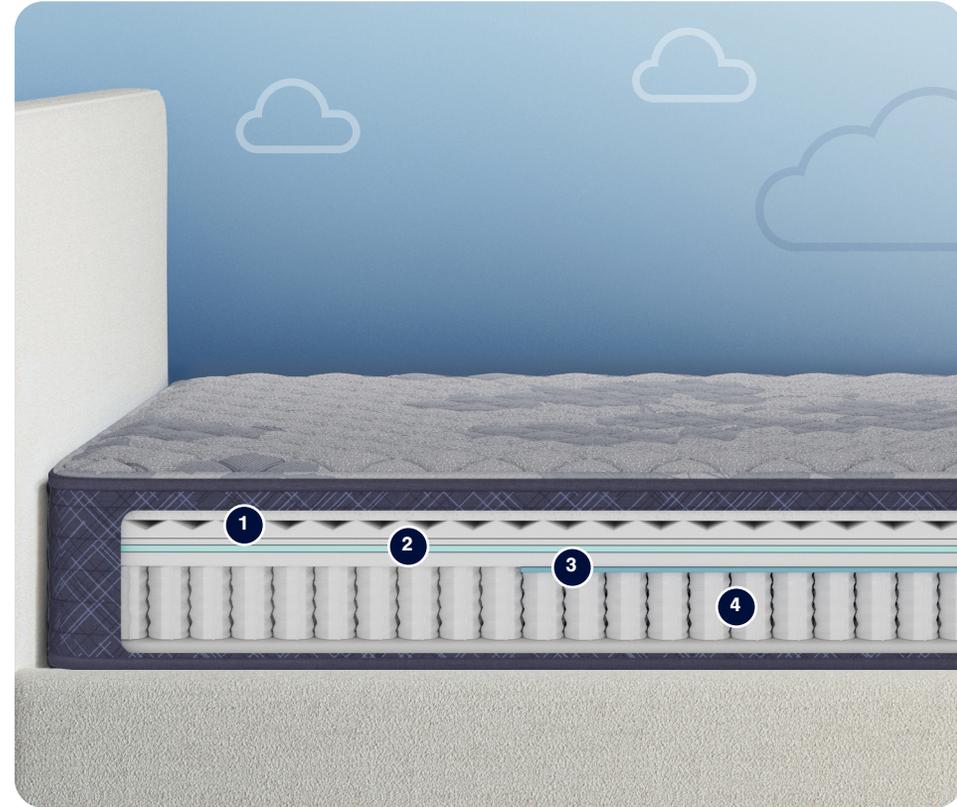

3. Gel Band Support

Gel foam lumbar support band provides support for the lower back and hips.

SUPPORT

4. Custom Support Coil System

This 825-coil density system provides contouring, cradling support and minimizes motion transfer.
