4.3 cu. ft. Top Load Washer with 4-Way™ Agitator and TurboDrum™

With a 4-Way™ agitator and LG TurboDrum™ technology, this classic top load is anything but basic

There's nothing traditional about this top load agitator washer. LG's innovative 4-Way™ agitator has specially designed fins that move clothes left and right, up and down. It combines with TurboDrum™ technology to maximize your wash action—for a thorough clean that's still kind to clothes. And thanks to ultra large capacity, you can fit more clothes in every load to power through laundry day in less time.

4-Way™ Agitator

MAXIMIZE YOUR WASH ACTION

- Specially designed fins create a unique 4-way wash action that moves clothes left and right, up and down
- Agitator gently rubs against items to help loosen soil and stains for a thorough clean that's still kind to clothes

Performance

TOUGH ON DIRT, EASY ON CLOTHES

- TurboDrum™ technology creates a powerful water flow for an enhanced but gentler clean
- The LG Direct Drive Motor rotates independently from the tub mechanism, so they spin in different directions to move clothes efficiently through the detergent and water solution
- Based on the cycle you select, LG 6Motion™ technology uses up to 6 different wash motions, including a PowerMotion for scrubbing or gentle Swinging motion for delicates, each designed to get clothes cleaner and help them last longer

TurboDrum™

Ultra Large Capacity

SAVE TIME AND WASH FEWER LOADS EVERY WEEK

- Bring on your big loads of towels or jeans—this ultra large washer fits more in every load to save time

Additional Features

Deep Fill

DEEP FILL—WHENEVER YOU CHOOSE

- The deep clean you already expect from LG top load washers, plus a Deep Fill option to add extra water to any cycle with the touch of a button
- Press Deep Fill at the start of the cycle to select the maximum water level—the one-time setting will automatically switch back to high-efficiency water levels the next time you're ready to wash

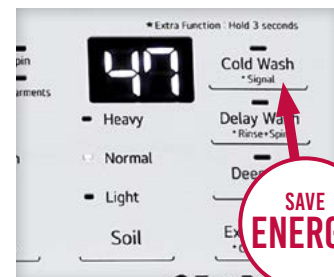

ColdWash™ Option

CLEANS LIKE WARM, SAVES LIKE COLD

- Saving energy doesn't have to mean compromising on cleaning with the ColdWash™ option
- Powered by the LG Direct Drive Motor and 6Motion™ technology, it's ideal for cleaning all types of clothes—even those you normally wash in warm water
- Can be used with almost any wash cycle and virtually all fabric types

NeveRust™ Stainless Steel Tub

SMOOTH SURFACE HELPS PREVENT SNAGS

- Unlike tubs made from porcelain or plastic, the full stainless steel tub avoids the chips and nicks that can snag fabrics and ruin expensive clothing
- Durable surface actually gets smoother over time and keeps your washer looking like new, even after years of use

Direct Drive Motor

COUNT ON QUIET, EFFICIENT PERFORMANCE

- Backed by a 10-year limited warranty, the LG Direct Drive Motor delivers peace of mind with every load
- Fewer moving parts means less noise and vibration, greater stability and durable performance you can depend on for years to come
