- Built-In WiFi, Powered by SmartHQ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant (Select features require WiFi Connection) [See details](#)
- Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire
- In-Oven Camera - Check status from anywhere without opening the oven door with live streaming video of your food on your smartphone
- Food Dehydrator - Make homemade chips, spices and dehydrated fruits more easily than ever with a moisture-removing setting in your oven
- Soft-Close Door - A soft-close oven door reduces noise and eliminates slams, for a more peaceful environment in the kitchen
- Precision Cooking Modes - Simplify the cooking process with precision cooking modes that automatically track progress, and make time and temperature adjustments
- Brighten up life in the kitchen - Easily navigate settings using a stunning full color display that adds an unexpected touch of style to your kitchen, including custom screen backgrounds and weather updates
- True European Convection with Direct Air - This oven features True European Convection, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation
- Customizable Finishes and Hardware Combinations - Get a custom look in the kitchen

by selecting your favorite hardware and finish combination. Choose from Matte White, Matte Black and Stainless Steel finishes, and Brushed Copper, Brushed Bronze, Brushed Black and Brushed Stainless hardware

- No Preheat - Eliminate the need for preheating and save time with a variety of precision cooking modes
- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- Heavy-Duty, Easy-Glide Rack - Easily access items with a rack that glides smoothly
- Fit Guarantee - This oven will fit your existing cut-out, or GE Appliances will help pay for modifications up to \$300 [See offer criteria and details](#)
- Self-Clean with Steam Clean - This self-cleaning oven uses optional steam cleaning for light soils to clean the oven cavity with less heat and odor
- Temperature Probe - A precision temperature probe connects to the oven to ensure your food is properly cooked
