

GE 30" Slide-In Electric Convection Double Oven Range

Model# JSS86SPSS

- **Fit Guarantee** - This electric range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300. [See offer criteria and details](#)
- **No-Preheat Air Fry** - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- **12"/9" dual element** - A dual burner cooktop lets you choose between 12-inch and 9-inch electric elements for a more convenient cooking experience
- **True Convection** - Enjoy consistent baking thanks to an advanced convection system that pairs a third heating element with a rear fan for a high level of precision
- **9"/6" Power boil element** - A power boiler produces concentrated heat for rapid boiling in a flexible 9-inch/6-inch burner size, so you spend less time waiting and more time cooking
- **Fifth element warming zone** - A convenient low-heat warming zone provides even temperature control for foods on the cooktop
- **Fast preheat** - Preheat the oven quickly and cut down on preheat time with a speedy preheat feature
- **Steam clean** - A steam cleaning option cleans the oven cavity in a 30-minute cycle with less odor and heat
- **Hidden baking element** - This oven features a hidden baking element that gets rid of hard-to-reach areas and makes cleanup easier
