Cushion Recovery Notice

For convenient packaging, the seat cushions, back cushions, and ottoman pads have been vacuum-compressed. After unpacking, please allow 5 to 7 days for them to fully expand and regain their original shape. Gently patting or fluffing the cushions can help speed up the recovery process. which typically takes between 72 hours and one week.

Back Cushion

Seat Cushion

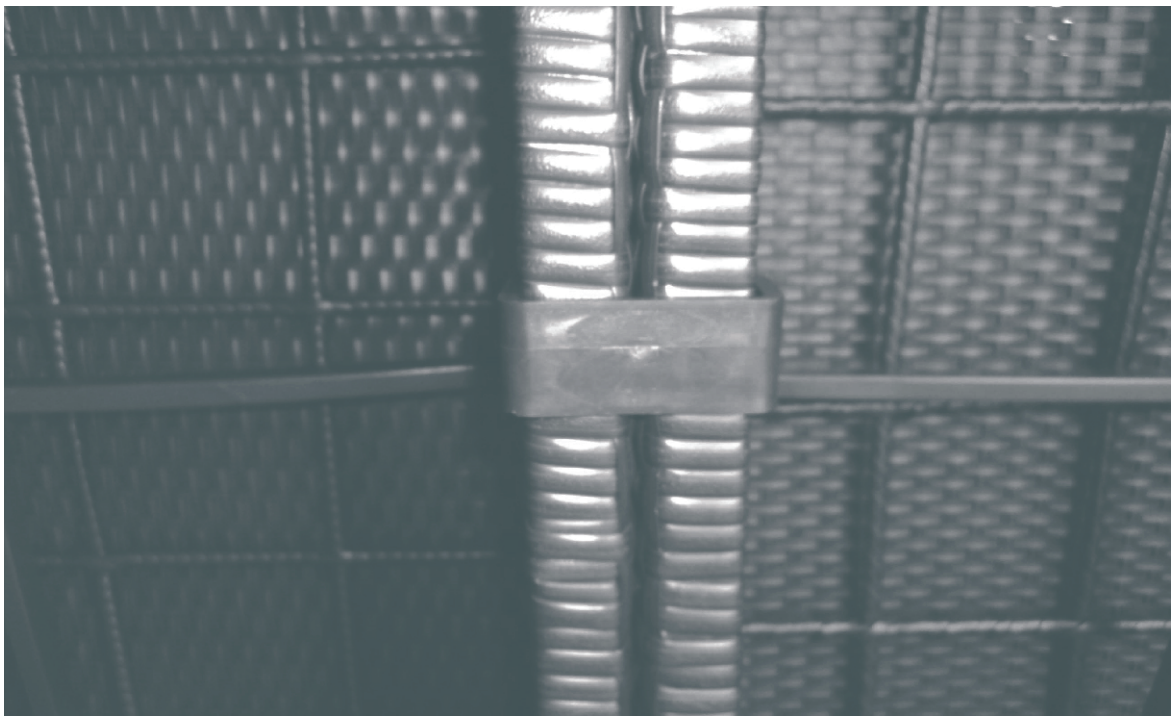

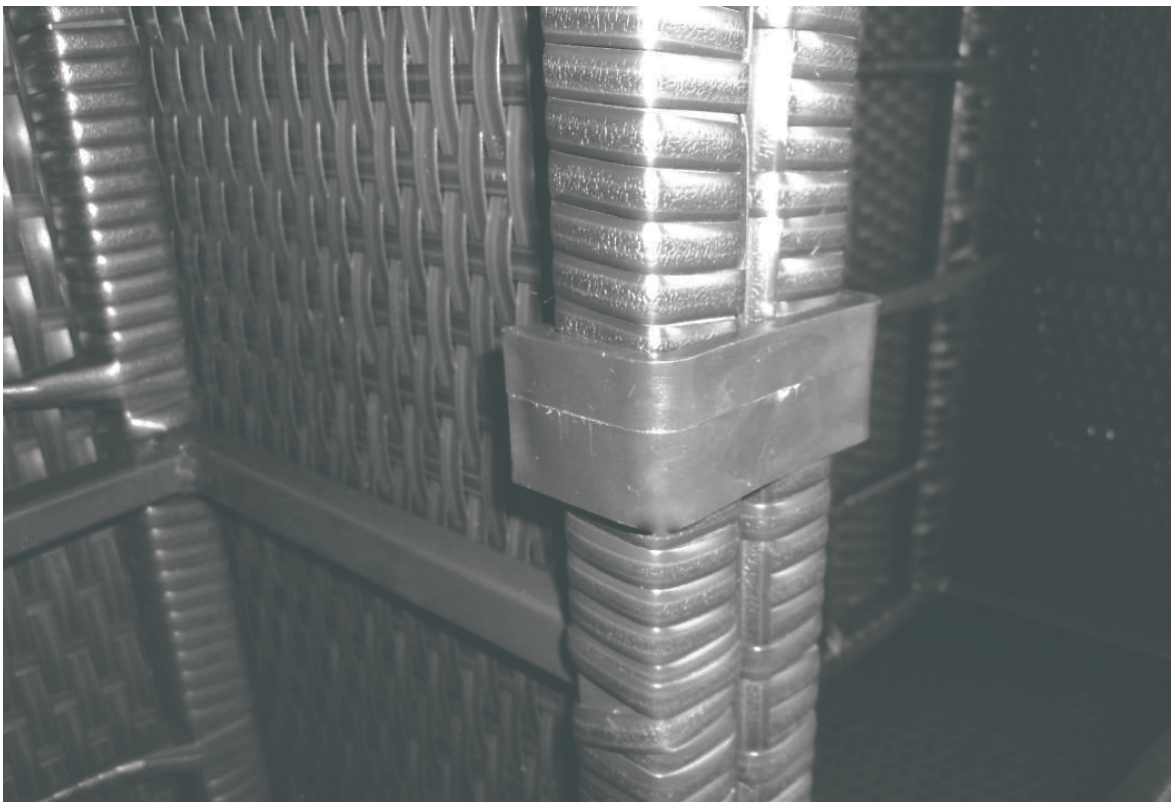

Ottoman Cushion

To fix 2 pieces together, use the clips included with the set.
Refer to following pictures below.

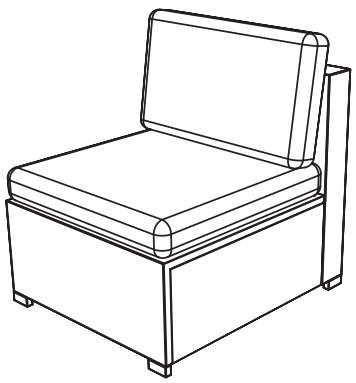

Pour unir 2 pièces de façon inamovible, les assembler à l'aide des pinces jointes.

Assembly Instruction

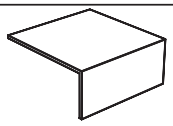

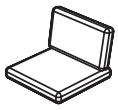

Advice:
1. Power tools are suggested to be used during installation.
2. More than one person may be required to assemble this product.
3. The best advice is not tightening up any screws until the whole piece is assembled. If having difficulty aligning holes, loosen the screws already installed and readjust the armrest.
4. To avoid mess-up or mismatch, please use the hardware of each box to install the furniture in the same box.
