### THE BUILD

#### COOLING COVER

Advanced cooling fabric promotes airflow and helps pull heat away from the body for a consistently cool and comfortable sleep experience.

#### 1" PERPETUA™ LATEX

Latex infused with copper and gel delivers responsive, pressure-relieving comfort with cooling performance and copper-enhanced freshness for a supportive and breathable sleep experience.

#### 2" THERAGEL™ MEMORY FOAM

Combines the body-conforming of memory infused with copper, silver, and graphite for enhanced cooling and antimicrobial benefits.

#### 4" HD SUPPORTIVE FOAM

Medium-feel upholstery foam layers designed to gently conform to your body's contours while delivering long-lasting support and resilience.

#### 8" 1130 COMBI-ZONE®

With 1130 responsive coils and advanced zoned construction, the Combi-Zone system adapts to your body for balanced support, reduced partner disturbance, and a more restorative sleep experience.

#### QUANTUM EDGE™

Coil Edge System reinforces the perimeter for the mattress to deliver stronger edge support, improved stability, and a more usable sleep surface for lasting comfort and durability.

#### ADJUSTABLE BASE FRIENDLY

Engineered to personalize your sleep position for enhanced comfort and relaxation.
