NI3609WN

Niche Islander 36in. Hard
Wood Floating Shelf

NI5209WN

Niche Islander 52in. Hard
Wood Floating Shelf

#	Part	Qty	Image
A	Shelf	1	
B	Aluminum Support	1	
C	Wood Screws (Quantity varies by size)	5-10	

IMPORTANT NOTICE:

Place all wooden parts on a clean and smooth surface such as a rug or carpet to avoid scratching the parts.

Check to be sure that you have all parts and hardware.

Remove all wrapping materials, including staples & packing straps before you start to assemble.

Keep all hardware parts and packaging out of reach of children.

Two person assembly recommended.

Product Care and Usage

Thank you for choosing Niche.

This piece of furniture was manufactured by Regency Seating Inc. With minimal care, your furniture will provide you years of quality service. Your satisfaction is important to us. If you need assistance with any of the below instructions, please contact our customer service department at 866-816-9822 or email us at customerservice@regencyof.com.

General

Your furniture should be dusted frequently using a soft, dry, lint-free cloth, dusting with the direction of the wood grain. Do not use chemicals or abrasive materials to clean surfaces. Regency also recommends the use of desk pads/ mouse pads for high use areas to protect finishes.

Care of Laminate/ Wood/ Veneer Surfaces

Gently wipe the surface to remove any surface dust. Clean with a damp cloth and dry with a lint-free cloth. Do not use furniture polish that contains waxes and oils. Do not use bleach-based cleaners on laminate as it may cause discoloration. While laminate is durable and easily cleaned, avoid using hard bristle brushes which may scratch the laminate surface. Avoid sliding objects over the surface to prevent scratching. The use of coasters is recommended to prevent stains from liquids.

Care of Metal Surfaces

Wipe smooth powder coat finishes and textured metals with a damp cloth. For stubborn stains and grease marks, use soap and water.

Care of Hardware

Regularly tighten all nuts, bolts and fasteners. Inspect all joints and fittings to be sure that all are secure. Check and report missing hardware or loose joints.

**Thank you for your purchase...
Please be sure to leave a review with your retailer!
We appreciate your feedback!**

Missing Parts? Assembly Questions?

Call us at 1-866-816-3822 or email help@regencyof.com for immediate assistance. 2

Step 1: Remove and dispose of the black screw holding the Aluminum Supprt (B) in the shelf. Locate wood studs with a stud finder. Once located, place reference marks on the wall at the height you want your shelf to be.

Step 2: Ensure the Aluminum Support (B) is level by marking the hole locations over the studs. Once locations are marked, use included Wood Screws (C) to fully secure the Support (B) against the wall.

Step 3: With the Shelf (A) angled upward, use a downward motion to attach the Shelf (A) to the Support (B).
