NOTES

- Sloped petite roll arms with a tasteful nailhead trim sit on a dark walnut, square-tapered leg
- A hidden, extended footrest folds out to provide additional leg support when fully reclined
- Customize your comfort with a power control that adjusts the recline and headrest
- The power control is located inside the arm for a clean, finished look on the outside
- The power control includes USB-A and USB-C ports for convenient charging
- Built to last with the patented Blue Steel Spring™ seat system—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Available in two luxurious top-grain leather choices that are durable for everyday use
- Removable back for easy moving throughout the home
- The center seat is stationary, and each end seat can be reclined
